

Step 2 This Dance February Newsletter 2017

Recital Information

Our June Recital will be held at the Creative Arts Building at Pittsburg High School on **Sunday, June 25th**. All dancers will need a costume to perform in the Recital. Recital packets will be emailed out and available on our website in May.

Makeup Classes

From September through January we offer make-up classes for dancers who might miss a class or two due to illness. A make-up class would be equivalent to their regular class. **After January 31st, make-up classes will consist of only the technique portion of a class. Depending on the class, the make-up portion could be up to 20 minutes long.** A full class will not benefit the student after January 30th because each class will be focusing on a specific Recital Routine that pertains to that class only.

Water

Hydration during dance is important. Please be sure to send your dancer with a water bottle. We do have a water cooler and can provide water, you just need to provide the tumbler or bottle.
