

Step 2 This Dance November News 2016

Our First week at our new location was fantastic! Please remember that we are sharing our space with another business. When parking at the new studio please only park on the S2T side or by the tennis courts. We have to share the parking lot with work wear and they need parking for their customers as well.

Please make sure when waiting outside or eating outside that dancers do not run or play in the **tan bark or shake the trees as well. I know we are all very excited to be in a new building, but** we do share the space with another business and we need to respect their space as well.
